DETAILED ACTION

Allowable Subject Matter

1. Claims 1-34 are allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art fails to teach or suggest a method and system for integrating internal alarms from a process control system, and external alarms from external equipment, which are not part of the process control system, wherein a tag identifying an external alarm, and its origin, is mapped, or correlated to, an internal alarm, which is then assigned a tag associated with the external tag, based on the mapping.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
